

**Session : Structural and Congenital Heart Disease**  
**Interventions in Russia : messages from avant-garde experts**  
**CSI Frankfurt Wednesday June 26<sup>th</sup>, 2019**  
**12:50-14:20, Concluisio 2 Hall**

Moderators

**Bagrat Alekyan, Alexander Osiev**

Panelists

**Sergey Semitko, Evgeny Merkulov, Imur Timaev, Igor Buzaev, Prokhor Pavlov**  
**Eustaquio Maria Onorato (Facilitator)**

**Challenging cases**

**(8 min each, 2 min for short discussion)**

Case 1

**Timur Imaev** : “ Bicuspid aortic valve and TAVI: two leaflets but a lot of problems”

Case 2

**Alexander Osiev**: “Successful closure with one occluder and one plug of multiple VSDs after twice performed open heart surgery closure”

Case 3

**Igor Buzaev**: “Non-standard use of foramen ovale in interventional procedures (“O<sub>2</sub> technique”)

Case 4

**Sergey Semitko**: Successful "amplatzering" of the AMI-VSD on 4th day

Case 5

**Prokhor Pavlov**: “Staged treatment of complex AMI patients: PCI and Ventricular Septal Rupture Repair”

Case 6

**Evgeny Merkulov**: “Transcatheter postMI Ventricular Septal Rupture with the new Occlutech PIVSD Device: first experience in Russia”

**Eustaquio Onorato**: any technological progress in postMI VSD closure procedure ?  
How do you see the ideal occluder device ?

## Magistral Lecture (15 min)

**Bagrat Alekyan:** “State of the art on Congenital, Structural and Valvular Heart Disease intervention Programs in Russia”

## Moderators

**Bagrat Alekyan:** Academic Professor, Senior Consultant of Healthcare Ministry of Russian Federation in Endovascular Interventions

**Alexander Osiev:** Professor, Consultant of Healthcare Ministry of Moscow Region in Endovascular Interventions

## Panelists/Speakers

**Sergey Semitko:** Chief Medical Officer of Scientific and Clinical Centre of interventional Cardioangiology in Moscow

**Evgeny Merkulov:** Chief of Interventional Department of National Medical and Scientific Centre of Cardiology, Moscow

**Timur Imaev:** Chief of Department of Hybrid Cardiovascular Interventions, National Medical and Scientific Centre of Cardiology, Moscow

**Prokhor Pavlov:** Chief of Interventional Cardiology Department, Khanty-Mansyisk Regional Clinical Hospital, Khanty-Mansyisk, Siberia

**Igor Buzaev:** Associate Professor Bashkir State Medical University, Chief of interventional Department of Republic Heart Centre, Ufa

**Eustaquio Maria Onorato:** Teaching Professor, Congenital and Structural Heart Diseases Interventional Cardiology, Centro Cardiologico Monzino, IRCCS, University School of Milan
